

Submit An Application

Last Modified on 08/04/2022 9:37 am PDT

Go to **Applications**, [search](#), and select an application.

Once the Online Application (OLA) is in the *Documentation* status, and all required [supporting documentation](#) is uploaded, you or the applicant can select ***Submit***.

To submit the application:

1. View the [Application Details](#) and scroll to the bottom.
2. Select ***Submit Application***.

The application will now move to a *Submitted* status.
