

# Account Status Detail

Last Modified on 08/05/2022 12:08 pm PDT

Go to [Reports](#) and select *Account Status Details*.

**Account Status Details** report displays accounts, [statuses](#), and key account details. By default, the report shows the current month. Select the filter to change the month.

Search the report by using filters and select from the following options.

Field	Description
Merchant ID	The Merchant ID, or MID, is the account number assigned to the account.
DBA Name	The business name is also known as the DBA (Doing Business As). The DBA will be used when processing transactions and appear on the cardholder statement.
Merchant Status	The account moves through different stages depending on the actions and activities of the merchant; the <a href="#">merchant status</a> will reflect this information.
Approval Date	The date the application was approved.
Activation Date	The first date that the account processed a \$10 batch.
Report Month	The reporting month.

View the **Account Status Detail** report and the following fields.

Field	Description
Merchant ID	The Merchant ID, or MID, is the account number assigned to the account.
